“Autumn is a second Spring when every leaf is a flower” ~Albert Camus

After the lush greenery of summer and the brightness of it's blooms, Autumn brings with it rustic reds, golden yellows, oranges, along with deep rich browns. This season is one of my most favorite times of the year. We get to dig out our warm, chunky sweaters and drink hot apple cider while enjoying pumpkin spice everything! So as we say “so long” to summer we begin to warm up to the idea of decorating our homes for fall.

Cattails, corn stalks, straw bails, pumpkins . . . are all available here along with fall mums, and fresh flowers. We love to create fun, stylish designs that capture the rustic essence of fall.

“Making Your Fall Day Beautiful!” ~ Gail & Shelly
