Fall flowers, sweater weather, pumpkin spice and everything nice is the theme for the cool, bright colorful season. Fill a container with a mum, ornamental kale, purple fountain grass, pumpkins, gourds and more. You'll have the divas of the Autumn garden to decorate your home. Choose orange, bronze, yellow and creamy white mums. Select those with tight buds for a longer lasting burst of color. Remember these flowers really like to show off and love the cooler temperatures. We are blessed living in MN, to enjoy Mother Nature's blast of rich Fall colors. **"Making Your Fall Day Beautiful!" ~ Gail & Shelly**
