Are You Closing Up Your Cabin?

It's hard to believe it's almost fall and soon it will be time to close up your cabin, campers, RV's, trailers and more for the winter. Here are some tips using **Fresh Cab** which is safe around children and pets.

1. Seal all visible holes with steel wool.
2. Clean cabin or trailer, making sure not to leave any food or paper products behind.
3. Put Bounce sheets on and under beds and couches.
4. Put a **Fresh Cab** pack on tin foil at each entrance and under sinks.
5. Tape a **Fresh Cab** pack to the top of trailer tires. It is a repelent, not a poison This method is done by Pat, our cashier for several years and she has **NOT** had any mouse issues. Give it a try!

Hey Kids, It's Scarecrow Pete.

It's time again for our 14th Harvest Corn Maze & Fall Festival. This year we are enjoying MN's Summer's with great outdoor adventures through camping, going to the cabin, fishing or spending time at the lake. Think about the times you'd spent with family and friends by a fire pit, roasting marshmallows to make s'mores, telling fishing or scary stories. It's part of being a Minnesotan in the Summertime. Right? So come for a visit and stay for the FUN! It's always nice to see everyone.
