Did You Know?

We are celebrating our
25th year in business.

Celebrating
— 25 YEARS —

Thank You
for your
support
over all
the years

In 1997 we rented the
pole building from
Lefebvres at the corner
of Highway 101 &
County Road 39 where
we sold flowers, produce,
pumpkins and wreaths.

In 2003 we opened our
current facility offering
a full service garden
center, gifts, produce,
Fall decor and festival,
Christmas trees, spruce
tips and wreaths along
with Christmas gifts.

Happy 100th Birthday

In 2022 the Haralson apple is
100 years old. It was named after
Charles Haralson the Superinten-
dent of the U of M Fruit Breeding
Farm. It is good for eating, with
a tart flavor, especially good for
baking and making homemade
pies. It can be stored for 4 to 5
months. It was the most popular
eaten apple until the arrival of
Honeycrisp apple in 1991.
